Manley Head of Town Planning Commissioners

A meeting of the Town Planning Commission was held in the Council Chambers on Monday, when R. W. Manley was elected chairman, Chas. Boyer, Vice-chairman, and J. E. Fraser secretary for the ensuing year.

The Mayor, chairman of the Parks Committee and chairman of the Public Works Committee of the City Council were appointed members for the term of three years.

Horace Seymour displayed four large maps of the city and discussion followed regarding procuring one of these for City use, while other copies would be available for distribution. The matter was left with the City Council to be dealt with.

At the conclusion of the meeting some discussion took place as to the proposed location of the connecting link through the City of the Calgary and Edmonton highway. Mr. Seymour stated that a general idea at present was to make the main highway for through traffic on a by-pass road so as to divert the through traffic from causing congestion in the busy blocks in the centre of population. The old idea of having the highway go through the busy part to get more business was a hazard to human life.

After Mr. Seymour submitted a proposed building by-law for consideration of the commission, the meeting adjourned.

MEETING TO SELECT LIBERAL DELEGATES

A Liberal meeting will be held in the Driard Hotel committee room on Monday evening, March 17th, at 8 o'clock to appoint delegates to represent the Wetaskiwin Constituency at the forthcoming Liberal Convention to be held in Calgary on Thursday, March 27th, when a successor to Captain Joseph T. Shaw, K.C., M.L.A., of Calgary, who resigned the leadership of the party recently, will be selected, and other important business transacted. The attendance of all Liberals will be greatly appreciated.

WORLD'S DAY OF PRAYER SERVICE

A very inspiring and impressive service of prayer for women was held in the United Church on the World's Day of Prayer, Friday, March 9th. Representatives from nearly all of the churches in the city were present. The program, which was prepared by Miss Kim of Korea, consisted of hymns, responsive Scripture reading and prayers for all matters of interest to Christians the world over. Prayers were led by women from the United, Nazarene, Baptist and Pentecostal Churches and from the Salvation Army and the Hobbema Mission. A collection was taken, which was sent to the Inter-Board committee, to be used for interdenominational projects such as Christian literature for women and children of many lands, the distribution of Bibles, etc.

The World's Day of Prayer was instituted in North America in 1922, but is now observed by the women in 29 countries. In Canada women of all races join in the meetings and pray in their own tongues if they cannot speak English. Where there are no churches meetings are held in the homes. In 1929 the total collection in Canada was $1300. This was used chiefly for Christian literature. It is to be hoped that in Wetaskiwin in the future the World's Day of Prayer will be observed with increasingly greater interest and that all women of all churches will join in its observation, so that in prayer the whole round earth may be "bound by gold chains about the feet of God."

LIBERALS TO CONTEST EVERY RIDING

Edmonton, March 8.—Every riding in this province will be contested by Liberal candidates in the next election, whether it is held this summer or a year hence, declared W. R. Howson, prominent Edmonton barrister, who is being strongly backed for provincial leader, in the course of a fighting address at a Liberal rally here last night.

Attacks on the U.F.A. government were launched by most of the twelve speakers of the evening. There was not shot for Hon. J. F. Lymburn, who it was pointed out, had been elected on the slogan, "Edmonton's cabinet minister,' yet he had not shown any special attention to the city's interests.

The present government was criticized on account of its class serving legislation, while Premier Brownlee came in for condemnation as the head of a "one-man government who refuses to trust the people or even the back benchers of his own party," as one speaker declared.

The rinks selected to defend the Ash trophy were disappointed on Friday evening last, when the challengers from Fort Saskatchewan defaulted. A good time was spent, however, as local games were arranged, the losing rinks paying for the oyster supper which had been arranged for the Fort visitors.

• • •

Mrs. H. J. Montgomery of Wetaskiwin, Mrs. James Price of Calgary, Mrs. A. H. Rogers of Fort Saskatchewan, Mrs. W. R. Roberts, Seaxmith, Mrs. W. C. Short of Woodbend and Mrs. F. C. Alcock of Champion are among those in town for the meeting of the provincial board of the Alberta Women's Institute at which plans are being made for the annual convention in Calgary the week of May 20th.—Journal.

• • •

Henry Haas, who has conducted a successful shoe business on Railway street west for several years, has decided to dispose of his business and move to the farm two miles northwest of Wetaskiwin, which he recently purchased. Mr. Himberg, who has charge of the sale, states that big bargains will be offered and he expects the business will soon be disposed of. Mr. Haas has been in indifferent health for some time, and his friends hope that his sojourn in the country will be a benefit to him.

FIVE NEW SEATS ARE CREATED

The report of the special committee on redistribution, tabled in the legislature on Monday, created five new seats and abolished two, making a net gain of three.

The report was tabled by W. G. Farquharson, U.F.A., Ribstone, chairman of the committee, who achieved the unusual if not unique distinction of bringing in a unanimous report on redistribution.

The new seats are: Edmonton, Clover Bar, North Peace River, Calgary and Drumheller.

In abolishing the two seats, there will be a merging of Okotoks and High River, and Nanton and Claresholm.

The first merged riding will be called Okotoks-High River, and the other Nanton-Claresholm.

Okotoks is now represented by Hon. George Hoadley, minister of agriculture and health, and High River by Sam Brown, U.F.A.

Nanton is represented by D. H. Galbraith, and Claresholm by Gordon Walker, both U.F.A. members.

The North Peace River riding will divide the territory now represented by Hugh Allen, U.F.A. It takes in territory to the north of the Peace river, including sections of the present Grouard and Athabasca constituencies.

Clover Bar constituency has been formed by taking blocks from Edmonton, Camrose, Leduc and Victoria.

Time evens up everything. By the time he discovers that she can't cook, she discovers that the wedding ring and car aren't paid for.

DELEGATION IS TO INTERVIEW PREMIER RE. CITY CHARTER

A special meeting of the City Council was held on Tuesday afternoon in te Council Chambers, with all members in attendance, excepting Ald. MacAllister.

C. H. Russell, city solicitor, stated he had requested the Council to be convened to consider the request of Premier Brownlee, that the bill going through the legislature to consolidate the Wetaskiwin charter, be held over until next year.

E. E. Sparks, M.L.A., had also phoned that the prospect of a new City Act being passed next year was the reason for holding the Wetaskiwin bill over.

After discussion as to the advisability of pressing the needs of getting the bill through this year, it was agreed to send a delegation to Edmonton Thursday morning of this week, to interview the Premier. The delegation will consist of Mayor Howatt, C. H. Russell, Ald. Ellis and J. E. Fraser.

The meeting adjourned.

TOWN PLANNING ACT ADVANCES STAGE

Edmonton, March 7.—A strong appeal was made in the Legislature on Thursday by L. A. Giroux, Liberal, Grouard, during the discussion of amendments to the Town Planning Act, to have the Act so amended that the final right of appeal from zoning or other bylaws, in respect to the Act, should lie with the courts of the country rather than with the provincial advisory board. Mr. Giroux submitted that the members of the board were mostly experts in their own line and could see only one viewpoint. He thought ,therefore, that it would be more satisfactory all round to have the appeal direct to the courts.

C. L. Gibbs, Labor, Edmonton, chairman of the board, said that the very matter raised by Mr. Giroux had received careful consideration on the part of the board. He thought that as the whole scheme was in an elementary stage, that it might be well to pass the amendment as it stood, to the effect that the board was the final court of appeal, and that if, in the light of experience it was found that this was impracticable, the Act could be amended next year.

Joseph T. Shaw, K. C., Liberal leader, said that in the case of all commissions or boards save those set up for any specific purpose, there should be an appeal to the courts. He would not burden the appeal court with the matter, but would suggest resort to the district courts.

The suggestion of Mr. Giroux was not adopted and the House then passed the amendments so that they now stand ready for third reading.

C.G.I.T. BANQUET IS GREAT EVENT

The Canadian Girls in Training held their annual banquet in the United church on Friday, March 7th. It was a very elaborate and a most enjoyable event to the girls, their mothers, and a few invited guests. The tables were very beautifully arranged and decorated, the color scheme being carried out in the pastel shades. About 70 were present at the banquet, the tables being served by Mesdames Dickson, Dixon, MacFarlane, Allen and Vickers. A spirit of unrestrained jollification prevailed, with becoming dignity in all.

The Toast Mistress of the evening was Nellie Bidinger, the president of the Group, who directed the proceedings in a most gracious manner.

The toasts were "The King," proposed by the chair and responded to by the National Anthem; "Our Country," by Gladys Holtby, and responded to by "O Canada"; "Our Mothers," by Isobel George and Mrs. Thomas; "The Sunday school," by Margaret Stevenson and Mrs. Chalmers; "Canadian Girls," by Evelyn Hardy and Miss Allan.

Ethel Sharlow moved a hearty vote of thanks to the ladies who served, which was replied to by Mrs. Vickers in a very fitting manner.

Then followed a programme, as follows: An address of welcome to Mothers, Mrs. Elliott; solo, Mrs. Tony Johnson, accompanied by Mrs. L. Mellet; reading, Lola Holtby; "What a Mother shares with her Daughter," Mrs V. C. French; solo, Thelma Walker; "The Place of Play in a Girl's Life," Miss Henderson; "What I share with my Group," Jane Thomas, Florence French and Pearl Duitman; reading, Jean George; a few words of appreciation by the Minister, Rev. Elliott.

The different items were interspersed with songs from the C.G.I.T. song book, Isobel George presiding at the piano. The program close with "Taps."

The addresses and numbers on the program were all of a high order and reflected great credit on the leaders, Mrs. Wynne, Miss Henderson and Mrs. Elliott.

E. P. RANCH TO GET HIGH CLASS STOCK

Saint John, N.B., March 8.—His royal highness the Prince of Wales is keenly interested in improving the standard of livestock in Canada, and accordingly is procuring 60 head of pedigreed cattle and sheep from his farm in England for shipment to his High River ranch in Alberta, states Prof. W. L. Carlyle, manager of the latter establishment, who sailed Friday on the Canadian Pacific steamship Minnedosa. Professor Carlyle will remain in England only one week and will return with 30 head of sheep and 30 head of cattle. He will sail April 1 for Saint John with this consignment.

This shipment will be the first which the Prince of Wales has sent from England to his Canadian ranch in four years, the Professor said. The English ranches, which are famous for the quality of their livestock, are located in Nettingham and Cornwall.

LITTLE SUPERVISION BY GOVERNMENT CREDIT ADVANCES

Edmonton, March 8.—For the purpose of providing new regulations which will prevent a repetition of the happenings of the past six years when a $2,000 a year supervisor obligated the provincial government for loans totalling $1,082,000 under the Alberta Co-operative Credit Societies Act, without any direct supervision, a bill empowering the lieutenant-governor-in-council to make all amendments thought necessary, has been introduced in the legislature by Hon. R. G. Reid, provincial treasurer.

Uncollected loans totalling $1,082,000, were still outstanding on December 31, 1929, and an investigation started by George H. Webster, Calgary, has resulted in the whole matter being passed before the public accounts committee of the legislature for full investigation.

In addition to the large sum of money loaned to credit societies under this act, a total of $414,409.08 was advanced during the year to various pool organizations under the $1,000,000 Pool Guarantee act passed at the 1929 session of the legislature. Of this amount the Calgary Milk Producers' Association received a bank guarantee totalling $112,450; Southern Alberta Dairy Pool of Calgary, $72,450; Central Alberta Dairy Producers, $33,572; Wetaskiwin Dairy Pool, $2,650, and the Northern Alberta Dairy Pool of Edmonton received $183,397.68.

A perusal of the public accounts also showed that $83,000 advanced to the egg and poultry marketing services, $45,000 for registered seed, $35,000 for butter marketing service, $15,500 for cattle purchasing, and $500 for fur marketing was still outstanding at the end of the year.

At the first hearing of the public accounts committee of the legislature, called last week for the purpose of hearing charges preferred by Liberal members, that a portion of the $45,000 advanced to the Donatville Co-operative Credit Society had been used for the purchase of farm lands, contrary to the provisions of the act, government officials admitted that this had been done.

They also admitted that under the present terms of the act, the supervisor who was in charge of the administration of the act, up until December 31, 1929, and who has since resigned, was invested with powers which allowed him to authorize bank loans to credit societies without any direct concurrence on the part of the provincial treasurer and that the amount of loans made was not known to the government until the bank statement had been received every month.

The supervisor in question was employed at a salary of $2,000 a year. The new supervisor appointed on January 1, 1930, receives an annual salary of $4,500 a year.

MOOSEHEART LEGION HOLD REGULAR "500" PARTY

On Friday evening, March 7th, a large crowd gathered at the Moose hall, proving that the "500" parties held under the auspices of the W. O. M. L. were certainly not losing, but gaining in popularity with the Wetaskiwinites. Eighteen tables played in keen contest for the splendid prizes. Ladies' 1st, a pair of silver candlesticks, going to Mrs. Beguin; Men's 1st, a Waterman fountain pen, going to Mr. Bliss. Ladies' consolation, a novelty cream jug, was won by Mrs. Beller, and Mr. Beller won the men's consolation, a useful desk ornament.

A dainty lunch was served, followed by a few hours' dancing, a considerable number joining the present crowd at this time. The success of the affair was in evidence when everyone proclaimed that they had certainly enjoyed the evening and were looking forward to the next party to be held in two weeks' time. The committee in charge deserve to be praised for their success and compliimetned on the smoothness with which the various events of the evening were carried out.

LOCAL BOYS GRAB TWO GAMES FROM PONOKA PUCKSTERS

Last Wednesday night the Wetaskiwin boys took sweet revenge for the double defeat received at Ponoka the preceding Friday. The local midget team won the first game 4-1. Some nice combination play showed Paton, Enman and Blickenstaff going in good form. The other players all turned in a nice game.

Wetaskiwin: Kirstein; R. Blickenstaff, Miquelon, J. Blickenstaff; Enman, Paton, Weiler, J. Walker, McMurdo and Brown.

Ponoka: Sayers; Purnell, Plant; G. Brady, Kleckner, Matthews, G. Brady, Matheson, MacMillan.

The local juniors practically won their game in the first five minutes of play. Larsen led the attack and evading both Ponoka defense players, shot in a nice one at close range. Clarence Greiner followed up with a nice one, from close in, taking the pass from Watson. Watson got counter number three a few seconds later, and Ponoka was whipped right then. The local boys showed their superiority in every department of the game. Displaying a good brand of combination and back checking their opponents heavily ,the locals were never in danger. R. Aicher, who appeared for the first time on the lineup for the locals, looked good, and accounted for tally number 4. Watson got the last goal, a long shot which the Ponoka goalie never saw.

The Wetaskiwin lineup was: Walker; Merner, R. Greiner; Larsen, C. Greiner, Watson, R. Aicher, Farewell.

The boys all appreciate very much the liberal support given them by Curt Smith and all those who have turned out to the games to help them win.

J. LAWRENCE STARTS CAMROSE BUSINESS

J. Lawrence, who tendered his resignation as manager of the store of Brody's Limited, Wetaskiwin, a few weeks ago, has secured a building in Camrose, where he intends going into business under the firm name of J. Lawrence & Company. They will handle a complete line of ladies' and men's ready to wear's and shoes. The stock is now arriving and they expect to open the doors to the public next week. Mr. Lawrence, during the six years he had charge of the Brody store here, by his thorough knowledge of merchandising and untiring energy, developed the business from a comperatively small beginning to one of the largest and most successful commercial propositions in central Alberta. Mr. and Mrs. Lawrence are moving to Camrose this week, where they will take up their residence. Their host of friends throughout the city and district regret their departure from Wetaskiwin, but all join in wishing them unbounded success in their future home.

W.I. GIRLS' CLUB STAGE CONCERT

The concert in Audien Theatre on Monday evening last, under the auspices of the W.I.G.C. and the L.A.A.A. was a huge success. Mr. Cooke acted as chairman, and Mrs. Rodell and Miss Henderson presented the certificates which were won at the Field Day held last fall. Mr. MacCullough gave a thoughtful address on "The Value of Outdoor Sports to the Growing Child." The numbers given by the Girls' Club were splendid and showed special talent and training. The play "Just Like a Woman," was the scream of the evening and Susie and her sweetheart Johnnie were very cunning. Madame Ashbridge rendered two exceptionally fine solos. Amos and Andy were full of jokes, when not catching fleas.

Florence French, winner of the aggregate points in the Girls' events, and Roger Paton, who captured the Boys' championship, were each presented with a beautiful silver cup, and the following were presented with certificates:

Floyd Shantz, Cecil Bridgeman, Earl Baker, Gordon Ballhorn, Gilbert Hammond, Tommy Bates, Thos. Palfrey, Melvin Walker, Allistair Elliott, J. F. Walker, Stanley Barnett, Dale Manley, Alex. Lasell, Arthur MacArthur, Gordon Carlson, James French, Jack French, Stanley Lingerde, James Thompson, George Long, Cecil McIlhargy, Dorothy Chappell, Marion Manley, Lola Holtby, Nellie Bidinger, Gladys Holtby, Dorene Irving, Gertrude McLeod, Wilma Hardy, Emily Beamish, Dorothy Duitman, Violet Bidinger, Helen Buchanan, Jean George, Phyllis Hardy, Pearl Duitman, Mildred Spencer, Beryl Lake, Margaret Sorenson, Oriel Bye, Jean McMurdo, Alice Spencer, Sybil Liversidge, Marie Krause, Doris Lake, Minnie Radomske, Margaret Montgomery.

The W.I.G.C. and L.A.A.A. wish to thank all who kindly assisted in the concert.

• • •

The B.P.O.E. Lodge No. 91 held another of their series of card parties in the Elks' hall on Wednesday evening of last week and a very enjoyable and successful time is reported. The prizewinners were: Ladies' 1st, Mrs. J. Dixon; gentleman's 1st, Mr. T. Spencer consolation, Mrs. Nowell and Mr. A. Jensen. The cloak room prize was won by Mr. S. H. Farnham.

• • •

A charming tea was held Wednesday afternoon, March 5th, at the home of Mrs. Chapman, who kindly opened her home for the purpose of endowing funds to the W.O.M.L. Mrs. Williams received in the living room, while Mrs. Briggs assisted the hostess in serving a dainty lunch. The tea cups were read by Mrs. Alderman in a very charming manner. Despite the unpleasant weather conditions, a large number attended and the receipts made a considerable sum.

• • •

Charles Craig, of the John Knox district, had the misfortune to lose his barn, six head of horses, harness and some feed by fire which started about noon on Monday last. The alarm was sent in to Wetaskiwin and a number of willing workers went out and rendered assistance in saving the house, as well as a stack of hay. It is thought the fire was caused by children playing with matches. A strong wind was blowing at the time, and embers from the fire ignited the house at different times, and it was with great difficulty the home was saved. The loss is quite a serious one, as we understand Mr. Craig did not carry any insurance.

ABOLITION LONDON POST IS ASKED

Edmonton, March 8. — George H. Webster, Liberal, Calgary, returned to the attack in the Legislature Friday afternoon during the discussion of a vote of $18,265, included in the Executive Council estimates for the upkeep and operation of the provincial agent general's office in London.

Mr. Webster made a valiant effort to convince the House of the alleged futility of operating this office, but as on former occasions, he found himself in the minority. It was his second attempt in this direction during the current season.

Mr. Webster stated the office was uncalled for and unnecessary. He contended that big things were always going to materialize as a result of the activities of the office, but somehow they never did.

In rallying to the defence of the office, Premier J. E. Brownlee stated that although immigration was at a low ebb at present, H. H. Greenfield, the agent general, was interesting himself in the dissemination of industrial information and endeavoring to create an interest in this phase of provincial activities among British capitalists.

The Premier pointed out that one Calgary oil company has practically obtained its entire capital as a result of introductions made by Mr. Greenfield. In the last two years he had acted as the government's intermediary in tests a powerful British concern was making of Turner Valley gas. The time had been found to devote to the promotion of the coal industry.

City Legislators Witness Blaze at the City Hall

A disastrous fire at the City offices took place on Wednesday afternoon to the accumulated Debt of the City, when Bonds, Debentures and Coupons representing a total of $125,761 were committed to the flames and totally destroyed before the eyes of Mayor Howatt and the City Aldermen.

On the adjournment of a special meeting of the City Council at the request of City Treasurer Fraser, the Mayor and members of the Council adjourned to the basement, and forming a group in front of the furnace doors, committed to the flames hundreds of debentures and coupons representing over $125,000 of the City's debt that had now been paid. Ald. A. A. Ellis, chairman of Finance, supervised the proceedings. His Worship Mayor Howatt started the flaming rites of the ceremony by reverently consigning one large parcel to the flames containing the $28,000 Waterworks and Sewers Debenture which was recently bought in by the Council. This Debenture in March, 1907, represented $35,000 borrowed at 5% for 50 years. It had just come of age, having run for 21 years, on which to date $5970 of principal and $34,290 of interest had been paid. The purchasing and shortening of its expensive life from the year 1958 to 1930 and its destruction now has saved the citizens the sum of $26,570 in interest that would have to be paid.

The ten year $51,000 Refunded Debenture to the Imperial Bank for overdrafts covering General Debt and advances made to the schools from 1912 to 1918 were only paid up and completely retired last December. These were also added to the funeral pyre and a heavy debt consumed.

As the vast piles were being passed into the gaping maw of the furnace, Ald. French broke the solemnity of the proceedings by exclaiming, "Hold! there goes a good one for over $500." Had it not been for the stalwart arm of Ald. Ellis holding him back he might have scorched a sleeve link over what was a false alarm, because every bond and coupon had been cancelled by the City Treasurer with his steel punch as it was paid and every document carefully examined, checked and audited by the City Auditors. The little ceremony meant a great deal for the citizens, for it represented a large slice cut off the City's general debt, which in 1913 was $548,145 and now is $261,376.

PRESENTATION OF JEWELS AND MEDAL

A most enjoyable time was spent in the Oddfellows' hall on Monday evening last, when after the lodge meeting, nearly one hundred sat down to a delicious banquet, a number being present from Millet. The feature of the occasion was the presentation of a Past Noble Grand's jewel to Sister Chaffee, and Veterans' jewels to Bros. J. F. Ellis and V. C. French. The presentation was made by Bro. H. G. Finch, P.D.D.G.M. Captain N. A. MacEachern, D.S.O. and bar, also presented Richard T. Hawkins with a Canada General Service medal and clasp, 1866. Needless to say, Mr. Hawkins is delighted to receive this decoration for services rendered his country, about sixty-four years ago, and is now receiving the heartiest congratulations of his many old time friends.

TORNADO STRIKES THROUGH SOUTH

Memphis, Tenn., March 7.—Tearing through Mississippi, Arkansas and Louisiana last night, a tornado took a toll of five lives, injured nearly two score persons, virtually wiped out one village, disrupted communications and caused property damage of upwards of $100,000.

The wrecking wind first struck plantations and villages in Bolivar, Sunflower and Humphries counties in Mississippi. Cutting an 800 foot swath across Bolivar county, the tornado killed two negroes, injured 10 persons, and destroyed 15 houses. Damage there was estimated at $20,000.

In Arkansas, the tornado struck the village of Gregory, bringing death and destruction in its wake. Three persons perished in this area, and many were injured.

DAIRY CORPORATION BUYS REGINA PLANT

Regina, March 10.—J. A. Caulder, president and general manager of the Dairy Corporation of Canada completed negotiations today for the purchase of the Purity Dairy at a price said to be in the neighborhood of $250,000.

How you can flatter your wife, act as if you're jealous.

THE WILD ROSE OF ALBERTA

The wild rose has been chosen as the emblem of the Province of Alberta and could there have been a more appropriate choice? Could anything, even the maple leaf itself, be more characteristic of these prairies? Someone has very aptly described it as a "lovable" flower and indeed is there a more welcome sight than its appearance on the prairie as one of the attendants of the court of Summer. As befits things appertaining to the prairies, too, it is a hardy growth, spreading from field to field and some of our amateur gardeners have been known to damn it vociferously as a nuisance and predicted that it will become a pest. Our wild rose, a pest?

Be that as it may, it will interest Albertans at this particular time to know that a national poll by which the American Nature Association of the United States sought to learn what flower should be chosen as that country's national bloom has been completed with this same wild rose far in the lead. Of 1,067,672 votes cast the wild rose got upwards of 490,000. The columbine, 150,000 votes behind, was the second choice. Such popular favorites as the violet, the dogwood, the mountain laurel and the golden-rod lagged far behind.

COTTAGE BUILT OF NEWSPAPERS

A house made of old newspapers, stocked with furniture of the same material, is the result of eight years' patient work by Ellis F. Stenman, of Pigeon Cove, Mass., who, with the help of Mrs. Stenman and two other members of the family, has succeeded in showing that there are constructive uses to be made of this waste material.

Impressed by the wastefulness of large numbers of newspapers blowing about the streets, he began a series of experiments, which finally led him to the conclusion that the paper house was a possibility. Some 65,000 old dailies were used, he stated, besides several thousand roto-gravure sections, which form a deep colored border around the top of the rooms.

The walls are made of 215 thicknesses of newspapers pasted and folded, and subjected to a pressure of about two tons, the surface being strengthened with three coats of varnish. The roof shingles also are made of compressed papers.

The house is entirely of paper except the floors, the rafters, the windows and door sills.

The furniture, made of newspapers largely in cylindrical form, is singularly perfect in construction, having somewhat the appearance of bamboo.

In one room the pieces are octagonal; a charming settee with eight legs, a beautifully finished octagonal table, a tall floor lamp, chairs, a bookcase and radio. Mr. Stenman states he is now working on a piano.

One desk is made exclusively of old dailies that printed stories of Lindbergh's flight to Paris and of the later flight of Colonel Lindbergh to South Africa. The papers forming the desk have been rolled up into cylinders varnished on the outside, and assembled into desk form by gluing. By breaking the varnish seal, these papers may be unrolled, and the story of the flights read again.

CANADA SECOND CAR COUNTRY IN THE WORLD

There is one motor vehicle for every five persons in the United States, one for every nine in Canada, and one for every thirty-five in Great Britain and France.

But in China there is one automobile for every 30,000 of that country's vast population.

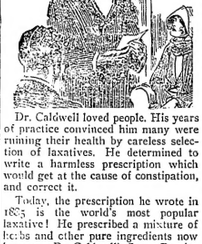
Following Great Britain and France based on the number of persons per automobile, the world's countries listed are: Denmark, Sweden, Switzerland, Spain, Germany, Italy, Japan, India, Russia and China.

Further statistics show that of the 4,782 cars listed in the Shanghai, China, register, 404 are public cars for hire. The motor cars are of 169 different makes.

Tells Dyspeptics What To Eat

Strict diets are often unnecessary in stomach trouble. While some foods do produce excessive acidity and many stomachs do generate "too much acid" causing gas, sourness, bloating and after-eating pains, the trouble may be safely and quickly corrected by the use of a good alkaline. Bisurated Magnesia—powder or tablets—is ideal for this purpose. Just a little after meals neutralizes all the excess acid, prevents souring, breaks up gas and ends indigestion. Favorite foods no longer upset stomach and digestion is easy and painless. It will do all this for you or money back. Druggists everywhere sell Bisurated Magnesia with this guarantee.

FAMILY DOCTOR LEARNED THIS ABOUT CONSTIPATION



Dr. Caldwell loved people. His years of practice convinced him many were ruining their health by careless selection of laxatives. He determined to write a harmless prescription which would get at the cause of constipation, and correct it.

Today, the prescription he wrote in 1875 is the world's most popular laxative! He prescribed a mixture of herbs and other pure ingredients now known as Dr. Caldwell's Syrup Pepsin, in thousands of cases where bad breath, coated tongue, gas, headaches, biliousness and lack of appetite or energy showed the bowels of men, women and children were sluggish. It proved successful in even the most obstinate cases; old folks liked it for it never gripes; children liked its pleasant taste. All drugstores today have Dr. Caldwell's Syrup Pepsin in bottles.

FARMING FOR PROFIT WITH JERSEYS IN THIS PROVINCE

(By Philip Fleming, Western Fieldman, Canadian Jersey Cattle Club)

A year or so ago Harry Line of Wetaskiwin bought four head of Jerseys in a Heifer Club. Today there is a letter from him in which he states that he has put them on Government test, the first one has finished, her name is Dagarda Belle's Maid No. 36209, she was in the two-year-old class and was on test for 305 days. Mr. Line sends the following figures: Pounds of milk, 5902; pounds of fat, 373; average test, 6.32%; average price of butter fat, 36 cents; total earnings, $134.18; chop feed, $16.00; hay, $13.00; green feed (100 bundles at 2c) $2.00; total feed, $31.00; cash, $134.18; feed, $31.00; net profit, $103.18; prize money at fairs, $40.00; heifer calf by good bull, $150.00; purchase price of cow, $200; profit in one year over feed and purchase price, $93.00. It should also be mentioned that this cow calved twice during the twelve months, so that Mr. Line has two heifers from her. He also states that his Jerseys have come through the severe winter very nicely, and are milking well.

Advertise in the paper that circulates all over the district thoroughly.

Liver—in Vancouver

"Three years ago, while in Vancouver, the house physician at the hotel advised me to use Kruschen Salts for a bad liver and constipation. I can say I never have had anything that gave me almost instant relief before, and I therefore got my chemist to order Kruschen for me—I think no less than 40 or 50 families have used it by my persuasion. Most other remedies on the market leave a bad effect in many ways, but I can safely say I haven't been as well in many years as since I have taken Kruschen."—Mrs. O. R. M., Williamsport, Pa., U.S.A.

Original letter on file for inspection.

Kruschen Salts is obtainable at drug and department stores in Canada at 75c. a bottle. A bottle contains enough to last for 4 or 5 months—good health for half-a-cent a day.

FREE TRIAL OFFER

If you have never tried Kruschen—try it now at our expense. We have distributed a great many special "GIANT" packages which make it easy for you to prove our claim for yourself. Ask your druggist for the new "GIANT" 75c. package.

This consists of our regular 75c. bottle together with a separate trial bottle—sufficient for about one week. Open the trial bottle first, put it to the test, and then, if not entirely convinced that Kruschen does everything we claim it to do, the regular bottle is still as good as new. Take it back. Your druggist is authorized to return your 75c. immediately and without question. You have tried Kruschen free, at our expense. What could be fairer? Manufactured by E. Griffiths Hughes, Ltd., Manchester, Eng. (Estab. 1756). Importers: McGillivray Bros., Ltd., Toronto.

FREE PUBLICITY

In the past this paper has received numerous requests for free publicity, most of which we have ignored, or thrown the copy into the waste paper basket. In this respect Government Departments, together with certain corporations and organizations we could name, are the worst offenders. While the latest request from the Department of Public Health for "co-operation" may have a great deal of merit, yet we feel the time has arrived when newspapers should no longer be expected to shoulder the whole responsibility for placing many of the campaigns free of charge before the public.

Last week we received a letter from the secretary of a certain cattle breeders' association in Alberta, enclosing copy of an auction sale, with the following terse request: "To the Editor. I would deem it a favor if you could find space for this reader in your paper." Needless to say, it was immediately torn up and consigned to the waste basket.

Then there are many others we could mention as well, of the "scratch", or "Throwing a sprat to catch a whale" variety, who usually flood us betimes with their propaganda, and who have long since ceased to be a factor with us regarding requests for free publicity.

We, for one, along with the rest of Alberta publishers, intend in future to take a strong stand against this growing evil of giving away our stock in trade —Advertising space. This is principally a newspaper's whole source of revenue, and if publishers complied with every request for free publicity it would be impossible for them to exist. It should be realized—and we have had it intimated to us by some—that the publication of a weekly newspaper should be regarded as a business, standing on its own feet alongside other business undertakings, and that consequently it is unfair to expect it to shoulder the whole responsibility of putting over the publicity of many so-called worthy objects or campaigns touching the interest of residents in a community—urban as well as rural.—Delia Times.

After The "Flu" Heart Trouble Nerves in Bad Way

Mrs. G. Ford, 1241 Georgia St., W. Vancouver, B.C., writes:—"Since an attack of 'Flu' in March last I was all run down, and my nerves were in a very bad way.

"I suffered a great deal too with heated, flushing of the face due to heart trouble, and nothing my doctor prescribed seemed to relieve me.

"In the drug store, one day, I decided to try

MILBURN'S HEART AND NERVE PILLS

and needless to say that since taking them my trouble has all vanished, and I am quite a different woman today.

"I shall always be pleased to recommend them to all who suffer as I did."

Price, 50 cents a box at all druggists and dealers, or mailed direct on receipt of price by The T. Milburn Co., Ltd., Toronto, Ont.

COMPULSORY POOL FAVORED, FARMERS OF SASK UNION

Saskatoon, Feb. 27. — Farmers of Saskatchewan — Canada's greatest wheat-growing province — Wednesday went on record as favoring compulsory pooling of commodities. After long hours of debate, United Farmers of Canada (Saskatchewan section) gave almost unanimous approval to a compromise resolution presented by the board of directors.

By the resolution, directors of the farm body are ordered to "stand ready to work with the Wheat Pool board of directors or the directors of any other pool in requesting that there be placed on the statute books of Saskatchewan an act known as the Primary Products Act, whereby the growers of any commodity may obtain control of the marketing of all that commodity grown in the provinces."

Only three dissenting votes marred unanimity of support, according to the statement of the publicity committee, given out after the convention had made its decision behind closed doors. The approved resolution stated that it is expedient "that the producers should be able at all times to express their opinion on and obtain, if they so desire, 100 per cent. commodity marketing control of all or any primary product."

COMMUNICATION

We do not necessarily endorse the sentiments advanced by this or any other correspondent under this heading.—Ed.)

To the Editor:

ATTENTION, RADIO LISTENERS!

Dear Sir:

I wish, through you, sir, to call attention to a strong lobby which is now operating at Ottawa. A strong attack is being made against the recommendations contained in the Aird Royal Commission's Report on Radio Broadcasting, which recommendations, if carried out, will ensure to the people of Canada freedom of the air with regard to Radio Broadcasting.

The lobby is in the interests of privately owned broadcasting stations, the owners of which hope to monopolize the air to the exclusion of all other interests of which they do not approve.

The importance of combating the efforts of the lobby is made apparent when it is remembered that many stations are at present owned either by a string of newspapers, or by financial interests closely allied with the ownership of the newspaper syndicate. The interests of these are not always the interests of the general public: but by the aid of their daily publications—now supplemented by the new medium of radio—propaganda is often broadcast with a view of persuading people otherwise.

If the Wetaskiwin radio listeners will meet and constitute themselves a branch of the Canadian Broadcast Listeners League, and pass suitable resolutions in favor of public ownership, control and operation of Broadcast stations, along the lines recommended by the Aird Royal Commission, and forward such resolutions to the Prime Minister, the Leader of the Opposition and to the local M.P., much will be done toward preserving to the public a means of diffusing independent views on matters which, for selfish financial reasons, are now carefully withheld both from the air and the daily press, privately controlled. This press is very largely represented by a single chain of newspapers and those outside of it can be influenced by the threat of an advertising boycott.

We have now an opportunity of preserving the newest form of communication to the public, and under public ownership and proper national control, will be available for the enlightenment of our people, by anyone who has anything of real importance to tell. The Aird Report, too, points to the only way we can be assured of the highest class of Canadian entertainment. To achieve this, it is quite necessary in our so sparsely settled and enormous country to have national financial support, through which agency powerful stations can only be constructed and maintained.

I therefore urge radio listeners to take prompt action, so that the efforts of the radio lobby will be confounded. The alternative is, radio under private control. A system with its inevitable and uneconomic duplication of inadequate stations, poor programmes and a constant stream of studied propaganda and suppressions.

If the lobby is successful in defeating the recommendations of the Royal Commission we shall be deprived of hearing whatever the great financial interests choose to keep off the air, as they now choose what we shall read in the daily press. As a direct consequence, we shall be condemned to listen to Canadian programmes of poor quality, or be forced to better programmes sponsored by foreign corporations who can afford to thus advertise their wares; and eventually to have no choice perhaps, other than what foreign people like to prescribe as we are now prescribed for on the Talkie-movie screen.

Listeners-in, get busy! Meet and pass a resolution and send it to Ottawa, so that we may secure, for all time, the freedom of the channels of the air.

Yours sincerely,
J. H. HODSON.
Nanpanton Farm, Wetaskiwin.

Rosy Cheeks
for indoor days

Crisp cold air brings a touch of color to every one, but it soon passes unless good health keeps it there. Shredded Wheat is an ideal indoor-weather food. It contains the mineral salts that make healthy red blood and the bran that promotes regular habit even though exercise is restricted. Plenty of nourishment—and easily digested too. Eat Shredded Wheat every morning—a biscuit or two with hot milk for a delicious, vitalizing breakfast.

OUR OTTAWA LETTER

(By Wm. Irvine)

The debate on the address has been unusually brief, having ended at six o'clock of the second day. Some of those who spoke on the Opposition side declared that there was nothing in the Speech worth discussing, while the leader of the Conservatives pointed out that the matters mentioned in the Speech from the Throne were all passed and that it contained no indication of Government proposals in regard to immediate and future problems. Mr. Bennett's observation was no doubt true, but even so most people would rather have a record of small things done than promises of large things which are never done. Mr. Bourassa took the opportunity afforded by the discussion to suggest such reforms as a fixed date for elections and a fixed date for the opening of parliament. He took a rap at the absurdity of the Governor-General being asked to read such inane stuff as usually comprises the Speech from the Throne, and said—"Since it has been decided that the Governor-General is no more a mere agent of the Government in London, but the true personification of the King—it is unfair to force him to sign under his own name and to pronounce in a magnificent garment while seated on the throne in the red chamber, such elementary truths as: the wheat we have not sold we still hold."

The brief duration of the debate was accounted for to some extent by the manner in which the two leaders of the main parties immediately engaged each other in political combat, and especially because the subjects of their discussion in the main were so remote from those which are occupying the public mind.

Business is bad, the Wheat Pool situation is causing concern to the entire nation, stocks are declining, and even while the Prime Minister was speaking a large delegation of mayors, aldermen, Provincial Government representatives from the Great Lakes to Vancouver arrived to ask for some assistance with the unemployment problem, and yet he and Mr. Bennett were squabbling as to whether or not Canada was as prosperous as usual. Apparently all Members of the House sensed the incongruity of the performance and the debate collapsed, although many members had been listed to speak.

The following is a summary of the charges and counter charges of the Prime Minister and the Leader of the Opposition, taken from their speeches as delivered in parliament on Monday afternoon and evening, February 24:

The Leader of the Opposition began by saying that the Government record was so poor that the Mover and Seconder of the address had great difficulty in finding anything worth while to say about it. The Prime Minister replied that, on the contrary, the records of the Government were so good that the Leader of the Opposition was the one that had difficulty in finding a vulnerable point of attack. The Leader of the Opposition said he wanted legislation for Canada; the Prime Minister declared that what Mr. Bennett wanted was legislation against the United States. The Leader of the Opposition said poverty was so general and intense that he never before had seen such distress among the people. The Prime Minister replied that we were enjoying unparallelled prosperity, that 1929 was the most productive in the history of Canada; new construction the largest known, mining productions of unequalled value,—manufacturing products surpassed all previous records. The Leader of the Opposition next declared that the unemployment situation was bad. The Prime Minister held that employment reached the highest point on record. The Leader of the Opposition said there was nothing in the Speech regarding the present problems of the country; the Prime Minister replied that the Leader of the Opposition in his speech gave no enlightenment as to what the Conservative Party was going to do about it.

The Leader of the Opposition then submitted tests of prosperity; railway earnings showed less by millions; the stock market had been wiped out; the cost of living was 160 as against 100 in pre-war days; we had an adverse balance of trade of $90,000,000; a depleted gold basis, and great unemployment. The Prime Minister waived all these tests aside and set up a new test. He proved that Canada was prosperous to a degree never before paralleled or equalled, by quoting Sir Thomas White, Vice-President of the Canadian Bank of Commerce, Sir Herbert Holt, President of the Royal Bank, Mr. Gooderham, President of the Bank of Toronto, and Sir Charles Gordon, President of the Bank of Montreal. Then the Leader of the Opposition said that the Government had done nothing to improve the conditions of agriculture. The Prime Minister in answer said a signal service had been granted by bringing into the present administration the one-time leader of the Progressives, and by sending to the Senate another one-time leader of the Progressives. The Leader of the Opposition expressed the idea that Honourable Mr. Forke was removed from the administration in the public interest. The Prime Minister said in effect that Mr. Forke was removed from the administration in his own interest. (I suppose if the truth were known he was removed in the interests of the Liberal Party).

Then the Leader of the Opposition argued that Canada does not have equal status with other Dominions in the so-called British Commonwealth. The Prime Minister declared that Canada did have equal status. The Leader of the Opposition then then pointed out that France and Italy had put up their tariffs to a very high figure against Canadian wheat, and the Government had done nothing about it. The Prime Minister replied by asking Mr. Bennett what he advised them to do about it. Then the Leader of the Opposition criticized the Government for not having called an Economic Conference as a means of dealing with our present problems. The Prime Minister replied that the Economic Conference was an American idea and that in any case it was not needed, because the Trades and Labour Congress officials had said so.

It will be seen from the above that had the debate gone on in that way between the various members of the House for weeks, nothing beneficial could have come of it. Perhaps the country will agree that parliament for once at least did wisely in closing it off abruptly as was done.

It is to be hoped that the Prime Minister will alter some of his opinions to which reference has been made. For instance, an Economic Conference, even though suggested by the Leader of the Opposition, might lead to greater results than a verbal battle between two party leaders. All political policy should have regard to the economic situation of the nation as a whole. A conference of people representing agriculture, labour, business, banks, manufacturers, etc., could not have given us a worse immigration policy than that which both parties have followed. All Canada's industries are interdependent and a conference of people representing them might bring out more clearly the fact of interdependence and pave the way to national unity on a co-operative basis.

Another statement of the Prime Minister which will be discouraging to Western farmers is the one to the effect that the best assistance offered to agriculture in this session's programme is the elevation to the Senate of Mr. Forke and the taking of Mr. Crerar into the Cabinet. The general opinion on this question will probably be that a two cent reduction on the price of a fork-handle would be more acceptable than either.

Mr. Gardiner was emphatic in his declaration that Mr. Crerar did not represent the farmers of Western Canada, and implied that the Farmers' Group in the House would have more respect for him in his position in the Liberal party to which party he always adhered, than they had for him as leader of the Progressives, which movement he never understood. The U.F.A. Group in parliament do not hesitate to grant honesty of purpose to the new Minister of Railways, but after his failure to make a co-operative selling agency out of the Grain Growers Grain Company, and his failure to show any ability of leadership when at the Progressive helm, they have little confidence in his statesmanship.

Headaches Were So Bad They Kept Her Awake

Headaches seem to be habitual with some people; some are seldom, if ever, free from them, suffering continually from the dull throbbings, the intense pains; sometimes in one part, sometimes in another, and again over the whole head.

There is only one way to get relief from these persistent headaches, and that is by going direct to the seat of the trouble, for unless the cause is removed the headaches will still continue to exist, and the fact that

BURDOCK BLOOD BITTERS

keeps the stomach, liver and bowels toned up is proof enough to show that it will eliminate the cause of the headaches.

Mrs. A. M. Arsenault, New Aberdeen, N.S., writes:—"For a period I had been troubled with headaches and they were so bad they kept me awake at night. I was advised by a friend, after having used many different kinds of medicine, to try Burdock Blood Bitters. After taking three bottles I was completely relieved, and can recommend it to be a perfect medicine."

Put up only by The T. Milburn Co., Ltd., Toronto, Ont.

CUT THIS OUT

Old English Recipe for Catarrh, Catarrhal Deafness and Head Noises

If you know of some one who is troubled with Catarrhal Deafness, head noises or ordinary catarrh, cut out this formula and hand it to them and you may have been the means of saving some poor sufferer perhaps from total deafness. In England scientists for a long time past have recognized that catarrh is a constitutional disease and necessarily requires constitutional treatment.

Sprays, inhalers and nose douches are liable to irritate the delicate air passages and force the disease into the middle ear which frequently means total deafness, or else the disease may be driven down the air passages towards the lungs which is equally as dangerous. The following formula which is used extensively in the damp English climate is a constitutional treatment and should prove especially efficacious to sufferers here who live under more favorable climate conditions.

Secure from your druggist 1 ounce of Parmint (Double strength). Take this home and add to it ½ pint of hot water and a little granulated sugar; stir until dissolved. Take one tablespoonful four times a day. This will often bring quick relief from distressing head noises. Clogged nostrils should open, breathing become easy and hearing improve as the inflammation in the eustachian tubes is reduced. Parmint used in this way acts directly upon the blood and mucous surfaces of the system and has a tonic action that helps to obtain the desired results. The preparation is easy to make, costs little and is pleasant to take. Every person who has catarrh or head noises or is hard of hearing should give this treatment a trial.

"Now don't let me hear any bad reports about you," said a local citizen to his son who was leaving for college. "I'll try hard, Dad," the boy replied, "but you know how such things leak out sometimes."

Trade with the merchants who advertise in this paper.

BITTERN LAKE

A Wheat Pool meeting was held in the Community hall on Thursday, the speakers being J. A. Cameron and W. W. Harber.

J. P Paul of Wetaskiwin, has taken a position with Wm. A. Altwater.

The Elgert Bros. have taken a brush contract with C. Lomas.

C. L. Anderson is loading another car of seed oats.

Miss Vera Holmstrom, who has been visiting with her sister in Edmonton, returned home on Friday.

Miss A. E. Depencier motored to Bowden to spend the week-end with her mother.

E. Bush returned home from Carrot Creek, where he has been working in a lumber camp.

C. Denton and Carl Maygard, champion whist players, were badly defeated by A. and G. Carlson at the whist drive held in Harvest Home school last Friday evening. Not so good. Not so good.

J. Paul spent the week-end in Wetaskiwin.

A snow storm passed over this district, leaving the ground white with snow. This should make the farmers smile.

WINFIELD

Winfield has been in quite a whirl of gaiety recently. Teas, parties, dances, etc, follow each other in rapid and bewildering succession.

In honor of her house-guest, Mrs. Bathgate of Buck Creek, Mrs. S. Sabin entertained at a tea on Thursday, February 27th. Among those present were Mesdames Bathgate, C. Stady, Groulx, MacDonald, Woodbridge, Lait, R. Gibbons, Ayre and Taylor.

Friday evening, Feb. 25th, Mr. and Mrs. E. A. Taylor entertained at a radio party in honor of Mr. and Mrs. Bathgate. Among the guests were Mr. and Mrs. Tait, Miss Elvira Larsen, and Mr. Wm. Gibbons.

A most enjoyable social was given by the residents of Winfield in the hall. Mr. and Mrs. Ayre brought own their radio-phonograph. Some of the time was spent in dancing, some in card-playing, also a fine impromptu concert was put on. Lunch was served by the ladies. A collection was taken up among the men and boxes of apples, etc., purchased. Mr. E. V. Clarke was chairman for the program and Mr. P. Ginther managed the floor. Upwards of eighty people attended.

The dance on Saturday evening, March 1st, was well patronized.

Mr. and Mrs. Bathgate returned to their home in Buck Creek on Sunday, March 2nd.

Mr. J. A. Woodbridge made a business trip to Wetaskiwin last week. He reports the roads are now open for cars.

Mr. and Mrs. W. S. Carroll journeyed to Edmonton last week.

A number of our residents journeyed to Seattle hall last Friday evening to take in the dance sponsored by the young ladies of that district. They all report a fine time.

Mr. E. S. Nelson put on a "picture show" last Saturday. It was well attended and enjoyed.

Miss Mildred McNabb spent the week-end the guest of Mrs. Taylor.

"After Baby, Was Weak, Skinny. Gained 22 Lbs."
Ironized Yeast did it, says Mrs. Benoit. Thousands say 5 to 15 lbs. gained in 3 weeks. Nervousness, constipation vanish overnight. Skin clears like magic. Get Ironized Yeast tablets from druggist today.

WINFIELD WEST

Raymond Mosier left for Daysland last Monday.

Eric Marshall of Daysland, is a visitor at Winfield.

Alfred Inglis is away on business at Calgary.

Bert Woodbridge is running the pool hall until Alfred returns.

The U.F.A. will hold a meeting in the hall next Monday. A debate on school teachers, "Which are best, lady teachers or men teachers?" L. Francis and S. Handbury will uphold the lady, and H. Francis and M. Taylor the men.

Mr. and Mrs. Carter are back in their home at Winfield after spending several weeks in Edmonton.

Programs for the week in the Winfield hall: Saturday, Handbury Bros. regular dance and social evening; Wednesday, free dance and concert; Saturday, moving picture show; Monday, U.F.A. meeting and social.

NEW NORWAY WEST

Mr. and Mrs. Ed. Wright of Ferintosh, visited last week at the Basil Wright home.

Mr. and Mrs. Armstrong of Camrose, are visiting at the Dan Curry home.

Mr. Wm. Meyers shipped a car of cattle to Edmonton Tuesday of last week.

Miss Gertrude McIntyre, of Ferintosh, spent the week-end with her parents, Mr. and Mrs. M. McIntyre.

Mr. and Mrs. Basil Wright and Mr. and Mrs. Garfield Holt spent several days in Edmonton last week.

Mr. Carroll Smith of Stettler, was visiting relatives and old friends in and west of New Norway, last week.

Mr. Mynor Campbell spent Sunday and Monday of last week at the Earl Upshaw home.

Rev. Cross of Ferintosh, was a caller at the Basil Wright on Wednesday of last week.

Miss Ida Butler, who is in training for a nurse at the General hospital, Edmonton, spent the week-end with her parents, Mr. and Mrs. Jim Butler.

Miss Jennie Johnston was a week-end guest at the M. McIntyre home.

Mr. and Mrs. J. P. Beller, Mr. and Mrs. Downing and sons, Clayton and Donald, were guests of Mr. and Mrs. Elmont Beller on Sunday.

Mr. and Mrs. Basil Wright, Mr. and Mrs. Emil Pearson and their families, were Sunday guests of Mr. and Mrs. Cecil Treleaven.

Mrs. Burnham returned home on Saturday from Leslieville, where she has spent several weeks visiting old friends.

The young people of the Zion Community club, are getting up a play, "The New School Mam," which they are expecting to present soon.

The C.W.L. of Duhamel, held their annual business meeting at the P. Trautman home last Wednesday, March 7th, with a large attendance. Officers for the coming year were elected.

Mr. and Mrs. Upshaw and Clayton, were in Edmonton on Tuesday, the latter to consult an eye specialist.

Mr. and Mrs. Orie Campbell were in Edmonton on Tuesday.

MILLET

DEMISE OF MRS. E. G. YOUNG

Emily Gordon Young passed away on February 28th, at the age of 93 years and 3 months. She was the eldest daughter of the late Robert Campbell Smart, engraver of Edinburgh, and the widow of the late Captain Robert Adamson Young, shipmaster, of Liverpool, Eng. She leaves one son, Robert C. Young of Millet, also two grandchildren, Henry G. Young and Margaret Annie Young of Millet. Interment took place at the Millet cemetery on March 2nd.

VERDUN U.F.A.

Hillside and Verdun U.F.A. will clash in debate at Verdun on Friday evening, March 21st, roads and weather permitting. The resolution reads, "Resolved, that there should be immediate development of the electrical power resources of Alberta under provincial control, both as to generation and distribution." Verdun will uphold the affirmative. A social evening follows the debate.

ALBERTA WOMEN TO JOIN IN HONORING FIRST WOMAN M.L.A.

"A free and loving gift from the women of Alberta," Such may form part of the inscription below the three-quarter length portrait of Mrs. Louise C. McKinney. From all parts of Alberta contributions are being sent to swell the fund, which will provide the legislative building at Edmonton with an oil painting of the first woman to be elected to a legislative assembly in the British Empire.

"We want to commemorate the fact that our own province of Alberta led the way in acknowledging the principle of the equality of the sexes," Mrs. Nellie L. McClung pointed out in discussing the projects with the Herald. "We cherish the hope that succeeding generations, looking at the portrait of Mrs. McKinney's strong kind face may catch something of the courage and inspiration of this pioneer woman."

Mrs. McClung is the chairman of a committee of 23 women from parts of the province, which had charge of the fund. One thousand letters have been sent out to the various women's organizations by the committee which is composed of the following members:

Mrs. Nellie L. McClung, chairman; Mrs. Wilber H. Horner, treasurer; Miss Margaret E. Sibbald, secretary; Mrs. Harvey S. Price, Mrs. H. J. Montgomery, Wetaskiwin; Mrs. R. R. Jamieson, Mrs. Emily F. Murphy, Edmonton; Mrs. G. W. Kerby, Mrs. S. Bercov, Mrs. A. Melville Scott, Mrs. R. C. Marshall, Edmonton; Hon. Irene Parlby, Alix; Mrs. J. H. Roble, Mrs. William White, Nanton; Mrs. A. H. Warr, Waskatenau; Mrs. F. E. Wyman, Mrs. H. M. Edwards, Macleod; Mrs. A. J. Hilliker, Mrs. A. C. Higgins, Mrs. F. G. Grevett, Mrs. A. E. Cook, Edmonton; Mrs. William Carson, Mrs. William Egbert, Government House.

The picture is to be painted by J. W. L. Forster, of Toronto, and will cost $2,000. Contributions are being sent to Mrs. Wilber H. Horner, 815 Nineteenth avenue west, who is acting as treasurer; while Miss Margaret Sibbald is the committee's secretary.—Herald, Calgary.

ALBERTA HOOP FINALS SATURDAY

Co-operation is being extended from all southern teams likely to be playing in the finals of the Alberta Basketball Association, to be played at the Edmonton arena next Saturday afternoon and evening. While two games will be played in the southern inter-district series at Calgary next Friday evening, all the contesting teams there have notified local officials that the winners will be prepared to take the night train for Edmonton and play here on Saturday.

The Grads will entertain the Calgary Grads, who have won every game they have participated in against southern teams this season.

The protest in the intermediate girls division has been disposed of and the Foilies will travel to Edmonton on Friday to have a good night's rest before tackling the Commercial Gradettes in the tournament.

In the male divisions, some doubt exists as to whether it will be the Raymond Idlers or the Calgary Normal school as to the intermediates. The Idlers have the credit of having defeated the famous Raymond Jacks and the Calgary Normal have defeated the crack team of the Y.M.C.A., the Wildcats. Then the Raymond High school team, which has held the provincial Duplessis cup for several years, will be here to meet new faces in the Victoria High team, while the junior Y.M.C.A. boys, of Edmonton, who have made a most favorable impression on local fans all this winter, will be up against the winner of the Taber and Calgary Y.M.C.A. game on next Friday.

"Sir," said the maid, quite haughtily, "either take your arm from around my waist or keep it still. I'm no ukelele."

CRITICISM NOW AIMED AT FARM BOARD

Washington, D.C., March 7.—Much the same criticism that has recently been levelled at the Canadian Wheat Pool is now being directed at the U. S. Federal Farm Board. Rumors from England are affecting the American organization just as they recently attached themselves to the operations of the Canadian pool.

A statement published in England Thursday that the American Grain Stabilization Corporation was about to discontinue purchasing of wheat inspired Chairman Legge to issue a positive contrary announcement.

The stabilization corporation, he said, will continue buying wheat at the market, "and will remove from the market whatever additional quantity may be necessary to relieve the pressure and prevent any considerable decline in wheat prices."

Legge added: "The Farm Board is prepared to advance to this farmers' organization whatever funds are necessary for that purpose."

Heard at the neighbors: "Don't you think that sheep are the most stupid creatures living?" He: "Yes, my lamb."

CANADA
AUCTION SALE OF SCHOOL LANDS

PUBLIC NOTICE is hereby given that an Auction Sale of School Lands will be held in the Province of Alberta, at the place and on the date hereafter mentioned:—

WETASKIWIN—Monday, March 31st, 1930, at 9 o'clock A.M.

CAMROSE—Tuesday, April 1st, 1930, at 9 o'clock A.M.

The lands to be offered comprise only those which have reverted to the Crown owing to cancellation of former sales and which have been re-inspected and valued at $7.00 or more per acre.

The lands will be disposed of subject to the usual terms and conditions pertaining to the sale of School lands at public auction.

Where any parcels of land are not sold the cultivation privileges for the year 1930 will be offered at time of sale and disposed of to the highest bidder, in accordance with the terms and conditions which will be announced at time of sale.

TERMS OF PAYMENT

One-tenth in cash at time of sale, and the balance in eighteen, equal annual instalments with interest at the rate of six per cent per annum on the balance of the purchase money from time to time remaining unpaid, except in cases where the area of the land sold does not exceed forty acres, in which cases the terms of payment shall be one-fifth in cash and the balance in four equal annual instalments, with interest at the rate of six per cent per annum; overdue payments, whether of principal or interest, to bear interest at the rate of seven per cent per annum.

For Sales boundaries, other places at which sales will be held, and for further particulars see posters posted in post offices, or apply to the Agent of Dominion Lands for district.

Lists of lands to be offered may be had on application to the Commissioner of Dominion Lands, Department of the Interior, Ottawa, Ontario, or to any agent or sub-agent of Dominion Lands in the Province of Alberta.

By Order,
J. W. MARTIN,
Commissioner of Dominion Lands,
Department of the Interior,
Ottawa, 1930. 51-1tn

THE SCOURGE OF CANCER

The Medical Academy of Alberta has just appointed a committee to study the problem of the incidence and treatment of cancer. The personell of this committee has been selected with great care, all are outstanding in their several fields of medicine and the benefits from this study should be marked.

However, without the co-operation of the public, results must, of necessity, be delayed. Cancer has a high death rate because the patient is not seen by the physician until the disease is so advanced as to be beyond all help. (Here again we would emphasize the need for the yearly physical examination).

When middle age is reached, any irregularity in the normal functions of the body, with or without pain, is reason enough for a visit to the physician. For instance a woman discovers a small swelling under her arm or on her breast. It is not painful and she appears to be well, she ignores it. Presently the arm becomes heavy, there is pain, there may be slight discolouration. A doctor is seen, and the dread verdict of "Too late" is given. Do not ignore swellings however trivial they may appear.

A long established normal function may become irregular accompanied by backache or just a "tired feeling." Again a physician should be consulted without delay.

The co-operation of the public is necessary too, in this strenuous fight against the scourge of cancer.

Health literature can be obtained free, from the Canadian Red Cross Society, 407 Civic Block, Edmonton.

MUN. HOSPITALS PLAY IMPORTANT PART

(By Edna Rolls)

While the Municipal Hospitals of Alberta put on no definite educational program, still they are playing an important part in educating the individual in regard to his own health, and in encouraging him to see that his neighbor's health is also his problem. Where Municipal Hospitals are operating, people are learning to regard the hospital question from an altruistic as well as from the individual standpoint. They are satisfied to have their land taxed for hospital maintenance whether they have reason to use the hospital or not. That the cost of hospitalization should be borne by those who are well seems entirely reasonable. One old-timer in Southern Alberta has been paying some form of hospital tax for forty-five years, has never had occasion to use the hospital, but says he is quite satisfied to keep on paying the tax—and working for this hospital as well.

People also feel that it is poor economy to allow sickness that can be prevented, and they believe that many of the ills of life are preventable. This belief has been fostered by the erection of Municipal Hospitals by the people, for the benefit of the people. Since everyone shares in the upkeep, the interest is more general than it would otherwise be.

What with constant propaganda through the press and lecture platform, people are learning to look upon physical examination as a good thing. The low cost of hospitalization in the Municipal Hospitals makes it possible for all to secure this examination without incurring any great expense. In one district, a farmer's wife was not feeling well; though she was not exactly ill. Her husband decided that the best thing to do was to bring her to the hospital for examination and have her condition checked up. Had it been necessary for her to go to the city for this examination, the cost might have been a deterrent.

In every Municipal Hospital district the people are proud of their hospital and the service it renders. People go to the hospital for treatment who could not have such treatment were it not for the present arrangement whereby they can get service in most instances for $1.00 per day. In one of the most thickly settled hospital districts, it is said that fifty per cent of the patients now treated in the hospital would otherwise remain at home and have haphazard care. Nor do they wait until their situation is serious as in the old days. They take time by the forelock and seek hospital care in the early stages of illness, thus preventing trouble trouble reaching a serious stage.

Women who are planning to go to the hospital for their confinement as the greater number of those living in Municipal Hospital districts do, go to their doctor for prenatal advice. The result is better babies, lower maternal and infant mortality rate.

Those who are treated in the hospital, usually carry away with them a better idea as to the necessity for proper care in case of illness, and in the care of wounds. They see dressing done properly, and are no longer content to tie a bit of dirty rag around a cut finger and trust in Providence to ward off infection. While they may not learn how to handle serious wounds, they at least learn to handle minor injuries more intelligently.

People learn also the importance of sanitary, and hygienic conditions, and put this knowledge into effect as far as possible in creating better conditions when they return home.

The knowing woman no longer submits meekly to regular, systemic suffering. For this kind of pain is relieved by Bayer-Aspirin just as readily as an occasional headache, twinge of neuralgia, or the more intense pain of rheumatism. Try it for the days you dread and share the gratitude of business and professional women for Bayer Aspirin. Doctors declare it safe to use freely. Any drugstore.

BAYER-ASPIRIN

Aspirin is the trade mark of Bayer Manufacture of Monoaceticacidester of Salicylicacid

Trouble Signs for Those Past 40

Bladder Weakness, Nervousness, Headaches, Frequent, Painful, Scanty Urination, Getting-up-Nights

The embarrassing annoyance and genuine misery of Bladder Weakness, often brings "discomforts of old age" to those who really ought to be in the very prime of life.

Countless thousands, perhaps seven out of ten, of folks near middle life are pitiful victims of Headaches, Nervousness, Pains in back and down through groins, frequent but scanty and painful urination — Getting-up-nights.

While serious, if neglected—it is ordinarily a simple matter to relieve these troubles by the pleasant home use of Dr. Southworth's URATABS, which have been victorious in thousands of cases, after other treatments have failed.

No matter how serious or of how long standing your condition may be, you can quickly prove the value of URATABS without risk of cost—for any good druggist will supply you on an absolute guarantee of satisfaction or money back. If URATABS bring you quick and certain comfort, you will be greatly pleased. If they do not fully satisfy, their use will cost you nothing. Try URATABS today, and see what a difference they make.

REPORT OF CREAM PRICES

For the week ending March 1st the following prices were reported paid by creameries per pound of butterfat, in the several grades of cream, and at the points shown:—

Penoka	38-41	36-39	33-36	23-26
Edberg	38-41	36-39	33-36	23-26
All others	38	36	33	28

A Bad Cold Finally Ended in Bronchitis

Mr. Albert Schultz, Kelvington, Sask., writes:—"For several weeks I had a very bad cold, and finally it ended in bronchitis.

"I had been trying all kinds of medicine, but none of it seemed to do me any good.

"Finally I saw where

Dr. Wood's Norway Pine Syrup

was advertised as a relief for bronchitis, so I got a bottle and after I had taken it I started to improve, and by the time I had finished the second one I was entirely free of my trouble."

Price, 35 cents a bottle; large family size 60 cents, at all druggists or dealers.

Put up only by The T. Milburn Co., Ltd., Toronto, Ont.

SASKATCHEWAN GETS RESOURCES

Ottawa, March 7.—Premier Anderson of Saskatchewan headed for home last night, carrying with him a basis of agreement with the Dominion government for the return to the province of its public domain in lands, minerals and water powers. The agreement will not actually be executed until the terms of a certain reference to the supreme court have been settled, but both sides issued statements announcing the happy conclusion and expressing satisfaction.

The settlement with Saskatchewan is along the same lines as those previously concluded with Manitoba and Alberta.

The Times does commercial printing at right prices.

WINDS OF OREGON

Those whistling winds of Oregon:
They whistle down the chimney flue,
A doleful sound that makes you blue;
You wish they'd stop, but they seldom do;
Those whistling winds of Oregon.
You are glad to sit by the cheerful fire,
For day and night they never tire.
They roar up through the pine tree top;
They'd blow you down if you didn't prop.
Wailing winds and winds that moan,
Winds that whip and thrash and groan.
Spring-clad winds that never blow smooth,
Putting Oregon real estate on the move.
But when summer comes we forget the past,
Of roaring spring and winter's blast,
And bask in summers' perfect day,
With scent of grain and new mown hay.
Content to let the zephyrs blow
From the lofty summits of ice and snow,
Those cooling winds of Oregon.
In autumn time they whisper low,
And foretell again of frost and snow,
They caper over hill and dale,
In miniature of winter's gale.
They wrestle with the yellow leaf
That Old Jack Frost has brought to grief.
They sigh o'er fields and sered vines,
They murmur through the moon-lit pines.
Of star-light nights they tell, and waning sun,
Those whispering winds of Oregon.

[Composed by Mr. E. W. Gregory of Dairy, Oregon, a former resident of Millet, and enclosed in a recent communication to Mr. T. K. Rogne.]

Cook's Regulating Compound

A safe, reliable regulating medicine. Sold in three degrees of strength—No. 1, $1; No. 2, $3; No. 3, $5 per box. Sold by all druggists, or sent prepaid on receipt of price. Free pamphlet. Address: THE COOK MEDICINE CO., TORONTO, ONT. (Formerly Windsor)

When Food Sours

Lots of folks who think they have "indigestion" have only an acid condition which could be corrected in five or ten minutes. An effective anti-acid like Phillips Milk of Magnesia soon restores digestion to normal.

Phillips does away with all that sourness and gas right after meals. It prevents the distress so apt to occur two hours after eating. What a pleasant preparation to take! And how good it is for the system! Unlike a burning dose of soda—which is but temporary relief at best—Phillips Milk of Magnesia neutralizes many times its volume in acid.

Next time a hearty meal, or too rich a diet has brought on the least discomfort, try—

PHILLIPS Milk of Magnesia

A GOOD THING RUB IT IN

LADIES AID MEETING

The March meeting of the Ladies' Aid was held at the home of Mr. and Mrs. C. A. Kent with a good attendance, and some visitors present. The President, Mrs. J. W. West, was in the chair. The devotional exercises were led by Mrs. (Rev.) Macdonald.

Many business matters were discussed. Delegates were nominated to the coming Presbyterial at Clive.

A pleasing duet "The Sunshine of Your Smile," was rendered by Mrs. H. A. Lee and Mrs. V. C. Rowley (pianist), with an encore "The Bluebird."

The date for the Olde Tyme Concert was set for Friday, April 4th, in Pinyon's hall at 8:30. Adults 50c, children 25c. Olde Tyme costumes, Olde Tyme music. A splendid concert, well worth seeing.

A dainty lunch was served by the hostess. The next meeting is at Mrs. Chas. Brinker's. Visitors are always welcome.

PEACE QUESTION DEBATE RESUMED

Ottawa, Ont., March 6.—Miss Agnes MacPhail (Progressive, South Grey), resumed her speech in the House of Commons late yesterday afternoon on her resolution that "for every one hundred dollars spent for war, one dollar should be spent to promote peace by setting up a chair of international relations, and by instituting international scholarships in each Canadian university." She declared that the Prime Minister was known not only in Canada, but outside as well, as a scholar, and it would be fitting that his government should take the lead in aiding education, the object of which was to promote peace.

A number of university principals had been written to on this question, Miss MacPhail asserted, and she had received many replies. They had suggested chairs be set up on international relations in twelve universities. Three would be in Ontario, three in Quebec, one for Nova Scotia and Prince Edward Island and one in each of the other provinces.

The difference between an optimist and a pessimist, says a careful obeserver, is that the optimist enjoys a thing he can't like, and a pessimist likes a thing he can't enjoy.

JOHN BARRYMORE in

"GENERAL CRACK"

Now for the long awaited thrill in talking pictures. John Barrymore, America's foremost actor, speaking for the first time from the screen. You'll experience the thrill of a lifetime as he portrays the romantic, daring leader of men in this tale of love and adventure. The settings and scenic investitures rival the splendors of royal courts. Many of the scenes are in natural colors. Come early and follow this great picture from the beginning.

TWO ALL-SINGING AND TALKING COMEDIES

Monday, Tuesday, Wednesday, 8 p.m. March 17-18-19

BELLE BAKER in

"SONG OF LOVE"

An all-talking, singing and dancing hit. Belle Baker, radio and phonograph artist, and called the "Sarah Bernhardt of Song," will be heard for the first time from the screen in many well-known song hits. A touching drama of mother love set against the romantic background of the stage and home. Do not miss hearing the idol of millions in this stirring musical drama.

TWO ALL-TALKING COMEDIES

Thursday, Friday, Saturday March 20-21-22

"THE DRAKE CASE"

"TRANSFORMATION"

"It takes a heap o' livin' in a house to make it home," and this wise old saying will be brought forcefully to mind when the motion picture

"TRANSFORMATION"

is shown at the

AUDIEN THEATRE, MARCH 19th & 20th

Under the auspices of the REVELSTOKE LUMBER COMPANY

In addition to the regular program: "Song of Love," and comedies on the 19th, and "The Drake Case," and comedy on the 20th.

The picture is unusually strong in human interest, presenting as it does a problem which is probably facing more than one farm family in this community, the problem of how to keep its boys and girls on the farm.

It was a sad, sad morning when Farmer Davis' son, Dick, smarting at the thought of opportunities he fancies he was missing to carve a career for himself in some big metropolitan motor factory, arises in his righteous, youthful wrath, takes his fate in his hands and informs the family that he is through with life on the farm.

And then comes winsome little sister Sue, flaming in her flapper indignation, to stand bravely beside her brother and add her drop of gall to the misery of dear old Dad and Mother. She, too, has been dazzled by the bright lights of cross-roads jazz palaces and has determined to get out of the back woods and into a city where people "live."

Have you ever faced that dilemma in your own family circle? Undoubtedly it is true that in every rural community in Canada, scenes just like that are enacted all too frequently.

"Is there anything about this old house to make me want to spend my evenings here?" scornfully the independent little country miss asks her tearful parents at the family council.

And thus is born the great plan to make the old farm house with its sagging roof, unpainted weatherbeaten walls and generally dilapidated, run-down appearance, into an attractive modern home which nobody wants to leave.

You will find it difficult to recognize the "old Davis place" when the marvelous transformation which the parents contrive to make for the sake of the children is completed.

The actual remodeling of a farm house is shown in the picture and it will certainly bring a new vision of the wonders that can be wrought by lumber and paint intelligently employed to remake and beautify what seemed at first to be a hopelessly worn-out old farm dwelling.

There's a "villian" of course, in the story, but you'll be glad when Joe Brown, the fearless, stalwart young county agent, with a well-directed blow, sends him reeling, splashing, into the slimy creek. That opens Sue's eyes and there will be cheers when she sensibly decides to take down the "For Sale" sign, because—well, you know, maybe some day Joe'll be needing somewhere to go.

DON'T MISS SEEING "TRANSFORMATION"

APPRECIATION

The undersigned wish to express their sincere appreciation to all those who so kindly volunteered their services and helped to save their residence in the fire on Monday last.

Mr. and Mrs. Chas. Craig.

BIBLE INSTITUTE

The closing exercises of the Bible Institute that has been held here for six weeks, takes place at the Swedish Baptist church, Friday, March 14, at 8 o'clock, when certificates are to be issued. Dr. Litch of Calgary, is expected to be present to give an address, as well as two of the students from the Institute. The male choir from the German Baptist church will render musical selections.

If roads are good, friends from outlying towns are expected to be present.

Thursday evening Rev. E. Hansell is presenting the last message of his recent series of lectures. Watch the signboard in front of the Post Office for the subject. Bring your friends to the meeting.

On Wednesday evening the Y. P. Bible class enjoyed a social evening at the expense of the losing group. Congratulations to Miss Elvera Johnson's good workers and to Mr. Glen Pope's faithful supporters.

EX-PRESIDENT TAFT DIED SATURDAY

Washington, D.C., March 10.—William Howard Taft, former President and former Chief Justice of the United States, passed peacefully from life late Saturday afternoon, wrapped in merciful unconsciousness after weeks of illness. A stroke from hardening of the arteries preceded death by half an hour. He was in his 73rd year. The resting of his body in state at the Capitol, and other honors befitting the exalted place he won for himself in the hearts of his countrymen will be accorded and his remains, at his own request, will rest in Arlington cemetery, the citadel of the nation's heroic dead.

BORN

MALMAS—In Wetaskiwin, on the 11th inst., to Mr. and Mrs. Ted Malmas, a daughter.

MIZARE—In the Wetaskiwin hospital on March 11th, to Mr. and Mrs. Mizare, a daughter.

CARD OF THANKS

The undersigned wish to sincerely thank the many kind friends for their sympathy and assistance during the illness and demise of the late Rachel Eliassen, and for the assistance in paying funeral expenses. They also wish to acknowledge the following floral tributes: Mr. and Mrs. O. Nelson, Mr. and Mrs. J. Nelson, Mr. and Mrs. T. B. Jevne, Katie Stion, Mr. and Mrs. B. Portiss, Mr. and Mrs. J. Moen, Mr. and Mrs. Bakken, Mrs. Trca, O. Errick, Miss I. Moen, Mr. and Mrs. Duteau, Mr. and Mrs. Brisson, friends at the house, P. Kvien, T. T. Jevne, Mrs. Clobstad, Millie, Mrs. Spencer, Mr. and Mrs. Jeglum.

T. T. JEVNE & FAMILY.

VERY PROMPT SERVICE

Are You Ready

When your Children Cry for It

Baby has little upsets at times. All your care cannot prevent them. But you can be prepared. Then you can do what any experienced nurse would do—what most physicians would tell you to do—give a few drops of plain Castoria. No sooner does that Baby is soothed; relief is just a matter of moments. Yet you have cared your child without use of a single doubtful drug; Castoria is vegetable. So it's safe to use as often as an infant has any little pain you cannot pat away. And it's always ready for the crudest pangs of colic, or constipation, or diarrhea; effective, too, for older children. *Twenty-five million bottles were bought last year.*

Fletcher's CASTORIA

APPRECIATION

I desire to sincerely thank my neighbors and other friends for the assistance they have rendered me in the erection of a home to replace the one destroyed by fire last winter.

O. P. NELSON & FAMILY.

APPRECIATION

Mr. and Mrs. J. Lawrence desire, through The Times, to express their sincerest appreciation to their many friends in Wetaskiwin and district for the business accorded them during the six years they resided here, and deeply regret they are about to leave the many warm-hearted friends in this community.

CARD OF THANKS

Robert C. Young and family desire to thank their friends and neighbors for their kind sympathy in their recent bereavement, and for the many beautiful flowers sent.

OMISSION

In the reference made in last week's issue to the funeral of the late Alexander Cummings, the name of the Wetaskiwin U.F.A. Co-operative store was inadvertently omitted from the list of those who sent floral tributes.

***With a 50c purchase of Nyal's Tooth Paste and a 15c package of Fish Food, two fish in bowl given free at Cooke Drug Store.

Errors of Refraction and Muscular Imbalances

Are the chief causes of headaches, dizziness, blurred vision and that tired sleepy feeling.

Children often have a very unsatisfactory school report through defective eyesight.

A complete scientific examination will reveal these troubles.

Have your eyes examined today.
